

ID	Area	Address	District	Land Lot	Resource Name	Classification	Date of Construction	Stories	Construction	National Register Potential	Description/Features
001	NW	N/A		17	N/A	Structure	Early 20th Century	n/a	Steel, Conc	Contributing	Railroad underpass, steel trestle, concrete piers.
002	NW	425 Lindbergh Dr		17 0002000	Lindbergh Condominiums	Building	1960	2	Brick	Contributing	Apartment Complex, wooded, hexagonal, double-hung and linear windows, iron awnings over porches
003	NW	430 Lindbergh Dr		17 0006000	430 Lindbergh	Building	1957	2/3	Brick	Contributing	Brick condominiums, quoin, wooded lots, iron awnings & porch posts, hipped roofs
004	NW	480 Peachtree Hills		17 0001019	Harmon/Peachtree Hills Apartments	Building	1965	2	Brick	Future Potential	Apartment Complex - decorative iron work and mural
005	NW	370 Peachtree Hills		17 0001022	Peachtree Hills Condominiums	Building	1959	2	Brick	Contributing	Apartment Complex - Central Courtyard, textured brick walls
006	NW	349 Peachtree Hills		17 LL050	ADAC West	Building	1960	1	Brick	Non-contributing	1 story office park, jumbo bricks, large display windows, largely replaced. Concrete Masonry Unit foundations
007	NW	311 Peachtree Hills		17 C01065	Garden Brook Condominiums	Building	1960	2	Brick	Contributing	Recessed balconies with shade screens - 2 types of buildings on property. Gated community
008	NW	N/A		17 N/A	King's Brigade	Site	1864	N/A	N/A	Contributing	July 20, 1864 battle
009	NW	N/A		17 N/A	Peachtree Hills overpass	Structure	1950s	N/A	Conc, Steel	Contributing	Railroad overpass w/ steel culvert. Formed concrete w/ decorative insets & steel railings
010	NW	66 Peachtree Park Place		17 021	Shepard Place	Building	1960	2	Brick, Concrete	Contributing	Decorative Concrete & Concrete Block. Brick Veneer.
011	NW	145 Peachtree Park Place		17 028	Peachtree Park Apartments	Building	1950s/60s	2	Brick	Non-contributing	Decorative molding panel beneath windows, 2 story square columned entry porches, wide windows, mix of wood and brick siding. Classical trim on door surrounds. Stone wall along railroad.
012	NW	N/A		17	N/A	Object	1950s/60s	n/a	Stone	Non-contributing	Stone railroad embankment/ retaining wall
013	NW	40 Peachtree Valley Rd		17 041	Peachtree Valley Apartments	Building	1962	2	Brick	Demolished	2-story brick apartment building, decorative iron-work
014	NW	n/a		17 n/a	Peachtree Rd overpass	Structure	1950s	n/a	Concrete	Contributing	Concrete railroad overpass, minimal decorative insets, decorative pebbles inlaid in concrete, concrete piers
015	NW	n/a		17 n/a	n/a	Neighborhood	1940	1-2	light-frame	Contributing	Residential neighborhood, mostly one-story framed houses, clapboard siding, largely intact
016	NW	n/a		17 n/a	Collier Rd overpass	Structure	1940s	n/a	Concrete	Contributing	Concrete railroad overpass
017	NW	n/a		17 n/a	Mississippi Brigade	Site	1864	n/a	n/a	Contributing	Mississippi Brigade
018	NW	n/a		17 n/a	Woods, Coburn's, Featherstone's brigades	Site	1864	n/a	n/a	Contributing	Woods Brigade, Coburn's Brigade, Featherstone's Brigade
019	NW	n/a		17 n/a	Collier Hills	Neighborhood	1941	1-2	Light-frame	Individual Listing	Collier Hills district, 1-2 story houses, wood-framed, clapboard siding. Adjoining Tanyard Creek Park, a civil war battlefield site.
020	NW	n/a		17 n/a	n/a	Site	1864	n/a	n/a	Contributing	Geary's front civil war site
021	NW	n/a		17 n/a	Berkeley Park	Neighborhood	1924	1-2	Light frame	Listed	Residential neighborhood, mostly wood-sided bungalows. Fairly intact. Bounded on all sides by industry/commercial
022	NW	1689 Howell Mill Rd		17 00005056	Precision Tune Auto Parts	Building	1955	1	Concrete Masonry	Non-contributing	Automotive repair garage - steel windows. New addition at front makes non-contributing
023	NW	1690 Howell Mill Rd		17 0004046	Sensational Subs	Building	1925	1	Brick	Contributing	Commercial storefront building, new windows. Addition at rear (ca. 1940s?)
024	NW	n/a		17 n/a	n/a	Structure	1948	n/a	Concrete	Contributing	Rough pour concrete railroad overpass w/ minimal decorative insets
025	NW	1122 Huber Rd		17 0012	n/a	Building	1940s	1	Concrete Masonry	Non-contributing	Steel Windows (most replaced), extensive remodeling, wood window lintels covered with stucco, railroad loading area runs alongside.
026	NW	1616 Huber Rd		17 0063	n/a	Building	1951	1	Concrete Masonry	Contributing	Concrete masonry structure with concrete slab and lintels exposed. Large loading door. Steel windows. Metal coping @ parapet. Railroad loading area alongside
027	NW	1616 Huber Rd		17 0064	n/a	Building	1951	1	Brick, concrete	Non-contributing	Formerly open-air warehouse with brick piers supporting corrugated steel roof. Openings now infilled with concrete masonry. Addition in 1950s/60s. Railroad loading area alongside.
028	NW	1218 Old Chattahoochee Rd		17 018700497	Décor & More	Building	1954	1	Brick	Contributing	Jumbo-sized brick - Front covered w/ aluminum, steel windows painted over.
029	NW	1240 Old Chattahoochee		17 018700505	n/a	Building	1951	1-2	Brick, Concrete	Contributing	Front portion likely dates to 1910s/20s - Very simple brick construction, ornate entrance (likely added later) Rear portion likely dates to 1950s - concrete masonry.
030	NW	1225 Old Chattahoochee		17 0001013	Frankie & Johnnie's	Building	1940s	1	Concrete masonry	Non-contributing	Small masonry building, metal coping on parapet, front extended in 1950s/60s
031	NW	1593 Huber St		17 044	Georgia Tire Recycling	Building	1947	1	Concrete masonry	Contributing	Two warehouse buildings - A) Concrete masonry with steel windows & corrugated metal roof B) Clad in corrugated metal, likely the same underneath (proportions the same)
032	NW	1590 Huber St		17 043	Braddock Metallurgical	Building	1952	1	Brick, Concrete	Contributing	Concrete masonry building with metal coping and steel windows. Brick additions to front in 50s/60s
033	NW	1581 Huber Rd		17 045	Southern Aluminum	Building	1963	1	Concrete masonry	Contributing	A) Concrete masonry building w/ steel windows, corrugated roof, several additions at rear. B) Similar, w/ asphalt shingle roof, wide overhangs @ loading dock, lap-siding @ gable ends, aluminum awning
034	NW	1571 Huber Rd		17 071,072,066	Unknown	Building	1948	1	Brick	Non-contributing	Steel windows, boarded up. Non-historic additions
035	NW	1600 Ellsworth Industrial Blvd		17 019200094	Westinghouse	Building	1960	1+	Brick, Concrete, Aluminum	Contributing	1-story brick offices w/ steel ribbon windows, steel awning @ entrance. Multi-story corrugated metal manufacturing space @ rear.
036	NW	1275 Ellsworth Industrial Blvd		17 0003071	Mayo	Building	1955	2	Brick	Contributing	Steel windows, stone foundation, jumbo brick (multi-chrome @ front), concrete window surrounds @ front windows and entrance.
037	NW	1202 Huff Rd		17 0005012	n/a	Building	1947	1	Light-frame	Contributing	Clapboard sided bungalow, eave brackets, front porch, undergoing renovation.
038	NW	1190 Huff Rd		17 0003046	n/a	Building	1959	2	Brick	Non-contributing	Jumbo brick, steel ribbon windows (being replaced)
039	NW	n/a		17 n/a	n/a	Structure	1956	n/a	concrete	Contributing	1956, large overpass for railroad yards, concrete with metal railings.
040	NW	Fairmount Avenue		17 018800030203	n/a	Building	1940	1	Brick	Contributing	Brick walls with metal roof. On large lot of undeveloped property. Metal windows
041	NW	n/a		17 n/a	n/a	Structure	1950s	n/a	Concrete	Contributing	Concrete bridge with metal railroads. Undated
042	NW	n/a		17 n/a	n/a	Neighborhood	1920s-50s	n/a	brick, light frame	Contributing	Neighborhood in mixed industrial/business area., Very close to beltline. Most in poor condition, several undergoing renovation. Church in neighborhood. Mix of housing types. Several bungalows.
043	NW	n/a		17 n/a	General Cleburne's Headquarters	Site	1864	n/a	n/a	Contributing	Marker post
044	NW	n/a		17 n/a	Grove Park Residential Neighborhood	Neighborhood	1920s-30s	n/a	Brick/Light frame	Contributing	Older structures of brick and wood construction in poor condition. Mostly bungalows and gabled cottages. New infill development.
045	NW	n/a		17 n/a	Howell Station	Neighborhood	1893	n/a	Brick/Light frame	Contributing	Residential neighborhood. Lots of new infill development. Knight Park. Churches. Mostly Bungalows. Lots of renovation projects.
046	NW	1299 Northside Dr		17 014800024	Siemen's Westinghouse	Building	1941	2	Brick/Concrete	Contributing	Modeme building, yellow brick, rounded corners, concrete "ribbons" at level of sills & heads, concrete "faux stone" at entrance, steel windows at rear.
047	NW	541 Bishop St		17 0004041	Frank Carter Co	Building	1950	1	Brick	Contributing	Decorative brick patterns. Metal windows. Painted white. Recent rear addition.
048	NW	525 Bishop St		17 0004043	n/a	Building	1950	2	Brick/Concrete	Contributing	Brick art deco building with concrete detailing at entrance and windows. Windows replaced with aluminum.
049	NW	Unknown		17 0004043	n/a	Building	1940s	1	Steel	Contributing	kwanzut hut
050	NW	507 Bishop St		17 0004015	n/a	Building	1948	2/1	Concrete/Conc	Contributing	50A) 1930s concrete deco office, 2 sty, glass block and steel windows, rounded concrete overhangs & 1950s cmu addition at rear w/ loading dock & steel windows. 50B) Cmu whse/mfr bldg w/ steel wndw
051	NW	500 Bishop St		17 031	n/a	Building	1925	1-2	Brick	Contributing	Steel clerestory windows. Painted brick patterns. Aluminum awning/entry way addition. Several openings filled in. EIFS over upper exterior. 2-story in back
052	NW	485 Bishop St		17 0003015	Cowan Supply Wholesale/Distributor	Building	1959	1	Brick/Steel	Contributing	Yellow brick building with white brick signage display area in front. Possible 60s addition of aluminum awning. Back is corrugated steel manufacturing building. Metal window. Curved.
053	NW	451 Bishop St		17 0003017	Capital Corporate Gifts	Building	1969	1	Brick	Non-Contributing	Jumbo bricks. Metal windows
054	NW	445 Bishop St		17 0003016	n/a	Building	1950	2	Brick	Contributing	2nd story possibly 50s/60s addition, due to change in brick texture. Glass block and single pane windows. Faux stone decorative features (added). Jumbo bricks. Transom over side door.
055	NW	426 Trabert Ave		17 014800030210	Frank Reed Picture Framing	Building	1955	1	Brick	Contributing	Jumbo bricks, metal windows, concrete columns.
056	nw	426 Bishop		17 014800030186	Preston Rose Company	building	1934	1	brick	Contributing	Under renovation. Metal ribbon window. Decorative brick pattern. Front eifs addition.
057	nw	376 Bishop St		17 01480003025	Waggy Tails	building	1950	1	brick	Contributing	Thin, long bricks on front facades. Jumbo bricks on sides. 2 buildings in complex of same construction. Steel windows.
058	nw	n/a		17 014800020484	Atlanta Gas Light Co	structure	1930s/40s	1	brick	Contributing	Gas light service building. Concrete pediment and decorative blocks. Arched front.
059	NW	1468 Mecasin St		17 0002049	Moakler Photo Services	building	1955	1	brick	Contributing	1960s decorative additions. Jumbo bricks. Metal windows.
060	NW	1478 Mecasin St		17 0002045	Sherwood & Assoc Interior Specialists	building	1955	1	brick/concrete	Contributing	Concrete frames exposed w/ brick infill. Clerestory windows.
061	NW	1573 Mecasin St		17 0002044	Landsell Galleries	building	1965	1	brick	Future Potential	Jumbo brick, steel windows, metal coping, front loading dock.
062	NW	396 Trabert Ave		17 0003028	Boykin Tool & Supply	building	1930	1	brick	Contributing	A) Jumbo bricks w/ metal windows. B) Shed outbuilding - jumbo bricks, corrugated shed roof, 4 doors.
063	NW	n/a		17 n/a	Loring Heights	neighborhood	1940s (post WWII)	n/a	brick/light frame	Contributing	Mixed ages of houses. Mostly American Small houses, one story w/ brick and wood siding in very good condition. Some infill development.
064	NW	n/a		17 041	Loring's Hill market post	site	1864	n/a	n/a	Contributing	Civil war marker post
065	NW	554 Deering		17 017	ACK, Inc.	buildign	1953	1	brick/cmu	Contributing	Yellow bricks, Cmu addition in back, aluminum windows.
066	NW	1503 Northside Dr		17 020	Afterburner	building	1953	1	Brick	Non-contributing	EIFS covered bldg, front very changed. Metal windows in back.
067	NW	1495 Northside Dr		17 035	CFC Group/RetroTechs	building	1952	1	brick	Contributing	Steel windows in back, aluminum in front. Front changed.
068	NW	1491 Northside Dr		17 019	CFC Group/Rmg	building	1952	1	brick	Contributing	Jumbo bricks on side. Normal bricks on front façade w/ applied EIFS decoration.
069	NW	1540 Northside Dr		17 038	City of Atlanta Public Works	building	1950s	1	brick/steel	Contributing	Yellow brick office area w/ aluminum storefront curtainwall. Red brick and corrugated steel rear warehouse. Steel windows in red brick.
070	NW	1500 Northside Dr		17 037	Myers Carpet	building	1956	1	brick	Contributing	1970s entry addition. Textured bricks. Concrete window surrounds. Concrete roof caps.
071	NW	1460 Northside Dr		17 040	Sam Flax	building	1960	1	brick	Contributing	1960s front addition. Jumbo bricks, steel windows, clerestory windows.
072	NW	1450 Northside Dr		17 0151LL042	Economy Electric Supply Company	building	1960	1	brick	Contributing	Mix of yellow and multi-chrome red bricks. Jumbo bricks. Concrete window surrounds and overhangs.
073	NW	1390 Northside Dr		17 2042	Unknown	building	1940s	1	light-frame	Contributing	Modeme style (possibly deco). Stucco covering. Metal ribbon window in rounded corner. Metal awning. Tower in front. Service garage.
074	NW	n/a		17 n/a	n/a	Neighborhood	1923	1	brick/light-frame	Contributing	Residential neighborhood, possibly support for reservoir. Construction styles range from bungalow to minimal traditional to ranches.
075	NW	677 Antone St		17 0007038	n/a	Building	1966	2/1	brick/concrete	Non-contributing	1950s 2-story building w/ jumbo brick and 1/1 windows. 1960s addition in front.
076	NW	657 Antone St		17 0007077	n/a	building	1956	1	brick/concrete	Contributing	Jumbo brick w/ steel windows
077	NW	643 Antone St		17 0007079	n/a	building	1950	1	brick	Non-contributing	Jumbo brick warehouse w/ steel windows. Addition @ front. Roof garden.
078	NW	633 Antone St		17 0007042	Freedman & Sinowski, P.C.	building	1961	1	brick, concrete	Future Potential	Cmu in rear, concrete caps, aluminum windows
079	NW	1640 Northside Dr		17 0007065	Eva's Alterations	building	1940	2	brick	Non-contributing	Steel windows, stucco coating in front (new)

080	NW	1634 Northside Dr	17	0007066	Pet Hospital	building	1950	1	unknown	Non-contributing	EIFS façade. Aluminum windows
081	NW	1630 Northside Dr	17	0007068	Buckwood Pet Hotel	building	1940	1	brick	Non-contributing	Glass block entrance, curved aluminum awning, EIFS over brick
082	NW	n/a	17	0121062	Atlanta Water Works	site	1891	n/a	n/a	Individual Listing	Atlanta reservoir - 2 kidney-shaped ponds surrounded by grass berm and chain-link fence.
083	NW	1210 Hemphill	17	0010012	Howell Pumping Station	building	1892-1908	Varies 1-3	brick	Listed	Classical buildings, decorative brickwork, arched windows, smokestack w/ "AWW" brick pattern, landscaped setting, varied massing. Tallest portion 1908 addition. Ornamental concrete balustrade.
084	NW	n/a	17	n/a	n/a	structure	Northside Dr overpass	n/a	steel & concrete	Contributing	Concrete railroad overpass w/ arched concrete piers and steel trestle.
085	Not Used										
086	NW	n/a	17	028	General Stewart's Headquarters	site	1864	n/a	n/a	Contributing	General Stewart's headquarters
087	NW	n/a	17	0148LL028	Atlanta Water Works	building	1920s-60s	2	brick/concrete	Contributing	1920s brick waterworks facility w/ arched windows, decorative brickwork, concrete cornice and keystone. 1960s addition - concrete w/ brick infill and loading dock.
088	NW	n/a	17	046	Atlanta Water Works	building	1920s	1	brick/concrete	Contributing	Decorative brickwork, arched block windows, concrete cornice, keystones and art deco entrance.
089	NW	n/a	17	n/a	Atlanta Water Works	building	1920s	1	brick	Contributing	Small brick service building w/ arched glass block windows. Terra cotta tile roof, wide eaves. Concrete keystones & sills. Decorative brickwork. Varied window types.
090	NW	651 14th St	17	P107894	City of Atlanta Bureau of Drinking Water	building	1930s/40s	3	brick	Individual listing	Art deco/moderne building. Decorative concrete at entrance. Bauhausian ribbon windows. Round fountains in front. Tiered floor plan.
091	NW	651 14th St	17	P107894	City of Atlanta Bureau of Drinking Water	building	1940s	1	brick	Contributing	Brick shed warehouse w/ tin roof
092	NW	1671 Howell Mill Rd	17	unknown	Underwood UMC	building	1920, 1929, 1942	1-2	Stone	Contributing	Raised mortar joints, random stone pattern, tin roof, stained glass, stone sills/lintels, additions 1929/42. Porch awning. Rear windows replaced w/ aluminum. Double-pediment front, small steeple.
093	NW	1668 Howell Mill Rd	17	0004004	Volvo Specialists	building	1949	1	brick	Contributing	Service garage, decorative brick cornice, rounded corner, windows replaced, transom over side door.
094	NW	890 Chattahoochee Ave	17	0004003	Furniture Liquidator	building	1950s	1	brick	Contributing	Steel windows in back, new addition in front.
095	NW	901 Chattahoochee Ave	17	unknown	Duncan Automotive/Frosty Treats	building	1940s-70s	1-2	brick/cmu	Non-contributing	Service garage - original 2-story brick with steel windows. Later additions in front are CMU
096	NW	unknown	17	062	Vacant	building	1930s	1	brick	Non-contributing	Five-course American bond brick, steel windows, 1980s/90s addition.
097	NW	930 Chattahoochee Ave	17	037000800	Auto Disassembly - Volvo	building	1931	1	brick	Contributing	Aluminum windows, prominent chimney, aluminum awnings.
098	NW	919 Chattahoochee Ave	17	0187LL0539	Natalie's Bridal Liquidators	building	1954	1	brick	Contributing	Concrete window surrounds, awning over door, windows replaced.
099	NW	975 Chattahoochee Ave	17	0187LL0554	Chattahoochee Antiques & Collectibles	building	1955	1	brick	Contributing	Textured brick, copper coping, decorative concrete block, loading dock
100	NW	999 Chattahoochee Ave	17	018700050285	Time After Time Grill	building	1956	1	Cmu	Contributing	Diner/restaurant with stucco walls, aluminum windows entire length of front, broad sloping overhangs.
101	NW	1015 Old Chattahoochee Ave	17	018700050384	Graphics Worldwide Printing	building	1957	2	brick	Contributing	Steel casement windows, textured brick, brick window sills, corrugated steel shed rear addition.
102	NW	1586 Howell Mill Rd	17	015200040428	n/a	building	1964	1	brick	Future Potential	Service station. White glazed brick, steel windows, aluminum storefront waiting area.
103	NW	1587 Howell Mill Rd	17	015200080689	vacant	building	1965	1	brick	Future Potential	Salmon colored textured brick, aluminum awning and sun screens
104	NW	1526 Howell Mill Rd	17	015200090076	unknown	building	1930/1965	1	brick	Contributing	Wood double-hung 6/6 windows. Brick and mortar heavily deteriorated. "Pediment" added over door. Steel lintels. Addition in back
105	NW	1522 Howell Mill Rd	17	0009014	Tellen's Antiques & Lighting	building	1930	1	brick	Contributing	Brick/mortar heavily deteriorated, steel lintels, large single-pane display windows in front.
106	NW	43 Chattahoochee Ave	17	015100010083	D&H Auto Service	building	1959	1	brick	Contributing	6-bay service station, Copper coping.
107	NW	1492 Howell Mill Rd	17	015100010091	Luxury Auto Body	building	1958	1	CMU	Contributing	Service station - Steel windows, rounded corner w/ aluminum storefront, later addition.
108	NW	1491 Howell Mill Rd	17	015100010166	S & J Automotive	building	1957	1	Cmu	Contributing	Auto shop, 5-bay, aluminum & glass doors
109	NW	1415 Howell Mill Rd	17	015100050220	Russell Image Processing	building	1951	1/2	brick	Contributing	Concrete awning and window sills, in-swinging steel windows, long, skinny, multi-chromed bricks.
110	NW	1409 Howell Mill Rd	17	015100050048	Kelly's Body Shop	building	1950	1	brick	Contributing	Service shop - concrete sill, aluminum windows
111	NW	1391 Howell Mill Rd	17	015100050063	Kelly's Auto Body	building	1954	1	brick	Contributing	Service shop, steel windows, stepped rear parapet w/ concrete cap, extensive modifications.
112	NW	670 Trabert Ave	17	0151LL0440	Vintage Millwork, Inc	building	1958	1.5	brick	Contributing	Jumbo multi-chrome brick, concrete loading dock, aluminum garage doors and windows and awning over door.
113	NW	Trabert Ave	17	0152LL0373	Dalton's Wood Headquarters	building	1950s	1	brick, steel, cm	Contributing	A) CMU building with steel windows, concrete loading dock B) Corrugated steel building with large sliding doors onto loading docks, concrete foundation, recent modifications.
114	NW	739 Trabert Ave	17	015100050204	Balloons Over Atlanta	building	1954	1	brick	Non-contributing	Jumbo brick, clerestory windows (replaced) EIFS front alterations.
115	NW	745 Trabert Ave	17	015100050170	Berry-Elsberry Co	building	1954	1	CMU	Contributing	cmu covered in stucco, steel windows, coping, concrete sills, entrance awnings
116	NW	751 Trabert Avenue	17	015100050147	Volvo Parts Warehouse	building	1954	1	brick	Contributing	Jumbo brick front with stucco, CMU rear, metal coping, aluminum windows, faux stone entrance.
117	NW	763 Trabert Ave	17	015100050196	Sunday Paper/Wow	building	1957	1	brick	Contributing	Glass block windows, aluminum windows, aluminum awnings, some flemish bond
118	SW	Lena St	14	8081/8094/809	Washington Park	site	1919	n/a	n/a	Contributing	No historic structures except stone retaining walls. Ball fields, picnic pavilions. Mature trees.
119	SW	45 Whitehouse Dr	14	4048	Booker T. Washington High School	building	1924	6	brick	Listed	Ornate brickwork, corinthian columns, Palladian windows, Booker T. Washington statue, large central entrance with tile work and large arches. Mature oak and magnolia trees
120	SW	n/a	14	n/a	Washington Park Residential District	Neighborhood	1919	n/a	brick, light fram	Contributing	Minimal small houses, ranch houses, bungalows, substandard condition, lots of new infill construction on Lena and Harwell Streets
121	SW	n/a	14	n/a	Fountain Park residential neighborhood	neighborhood	1930s-40s	1-2	brick	Contributing	Brick houses in standard condition. English-style bungalows. Ranch houses, varied mix of brick colors. Decorative brick work.
122	SW	1444 Lucille Ave	14	3073	J. C. Harris High School	building	1920s/30s	2-3	brick	Listed	Decorative brickwork. 1/1 windows, mix of wood and metal. Concrete decorative bands. Crenolated roofline.
123	SW	n/a	14	n/a	Lucille Ave overpass	structure	1910s	n/a	concrete	Contributing	Massive concrete railroad overpass with very narrow opening to allow water through - original opening likely infilled.

350	SW	644 Wells St	14	0009075	Storage Depot Lofts	building	1901	1	Brick	Contributing	Stepped parapet roofline, building steps down hill, shallow arched window heads (windows replaced) 5-course American bond, stone foundation, brick band over window. Remains of rail-line.
351	SW	713 Ralph David Abernathy	14	009054	Steven's Graphics	building	1925	1	brick/steel/cmu	Contributing	Brick construction w/ steel coping, gable roof, truck loading areas on south side of building, cmu in some areas possibly infill.
352	SW	713 Ralph David Abernathy	14	0007076	Stevens Graphics	building	1925	1	brick	Contributing	Front facade has central gable, soldier row, keystones over windows & door, steel windows @ rear.
353	SW	n/a		n/a	Retaining wall	object	1920s	n/a	stone	Contributing	Stone retaining wall
354	SW	Ralph David Abernathy	14	n/a	Railroad tracks	object	1901?	n/a	steel	Contributing	Railroad tracks embedded in Abernathy, heading into Storage Depot Lofts
355	SW	523-529 Metropolitan Pkwy	14	0009070	Abrams Fixture Corp	building	1900	2-4	brick/cmu	Contributing	A) 1940s Glass block, dentils above door in brick, steel windows B) 1900 decorative glazed tile & brickwork C) 1940s Glass block, steel windows, decorative brickwork, stone foundation, cmu
356	SW	603 Metropolitan Pkwy	14	0009042	R & R Electric Supply Co	building	1930	1	brick	Contributing	Stucco over brick, aluminum awning, brick coping, 1960s sign on corner for R & R Electric Supply Co.
357	SW	581 Metropolitan Pkwy	14	010800090524		building	1954	1	cmu	Contributing	CMU w/ stucco covering, steel caps on one part of building, metal overhang on other part of building.
358	SW	523 Metropolitan Pkwy	14	0009070	vacant	building	1900	1	cmu	Contributing	Service station w/ metal panel front, rounded aluminum awning @ corner, windows all missing, steel windows in rear.
359	SW	598 Metropolitan Pkwy	14	008500110261	Georgia Power	building	1920	1	brick	Contributing	Trolley charging station - concrete base, dentilated cornice, arched doorway w/ steel windows, iron doors & classical frame, steel side windows w/ decorative brick panels above, concrete cap.
360	SW	610 Metropolitan Pkwy	14	008500110287	Just Tires	building	1949	1	brick/cmu	Contributing	Old service station, 2 bays in front, brick chimney in rear, contoured/streamlined paneling around roofline
361	SW	650, 660, 680 Metropolitan Pkwy	14		Candler-Smith Historic Warehouse District	site	1940s	1-2	concrete	Listed	A/C/D) Stucco, steel windows, truck bays, glass block B) Office - stucco w/ steel windows, curved glass block entrance E) Concrete, steel windows, curved loading dock, 2 towers, glass skylights F) Concrete tower w/ bands, steel windows, flagpoles @ top.
362	SW	Northside Dr	14	0007043	Southern Mills	building	1940s	1	light-frame/ston	Contributing	Stone foundation, corrugated metal siding, truck loading entrance on side, barrel vaulted roofs
363	SW	585 Wells St	14	008500070069	Southern Mills, Inc.	building	1910	2	brick, stone	Contributing	Brick w/ stone banding above & below windows, 4 loading bays added later, brick set back from front facade, pedimented door, steel windows, stone retaining wall in front.
364	SW	585 Wells St	14	008500070069	Southern Mills	Building	1910	2	light-frame	Contributing	Pedimented door, corrugated metal siding, steel windows, clerestories, stone retaining wall in front
365	SW	598 Wells St	14	0011002	Pirkle Inc Junkyard	building	1940	1	brick	Contributing	Wood cornice, 6/6 wood windows (mostly filled in) front entrance house-like with porches, gabled roofs, garden.
366	SW	Wells St	14	LL003 & LL002	Retaining wall	structure	1920s	n/a	stone/concrete	Contributing	2'-5' stone retaining wall w/ concrete steps - presumably the steps formerly led to houses.
367	SW	n/a	14	n/a	Glenn St underpass	structure	1910s	n/a	concrete	Contributing	Single track underpass, concrete insets, pedestrian walkways on either side, framed by concrete supports
368	SW	Glenn St	14	008600010361	Western Union Telegraph Co.	building	1924/1930	1-2	brick	Contributing	2-story has crenelated roofline w/ gables over entrances, diamond brick pattern under gable, stone gothic revival entrance, name and "Supply Dept" in tile, 1/1 wood windows, some bricked in, soldier course over 2nd floor windows, 1-story addition to side
369	SW	570 Glenn St	14	0001003	C&L Used Auto Parts	building	1930	4	brick	Contributing	Blonde bricks, stretcher bond w/ belt courses, steel pivot windows, steel coping, decorative brickwork over entrance w/ decorative concrete, spur rail line on West side to loading dock.
370	SW	500 Block Glenn St	14	0011022		building	a) 1930 b)1910	3	brick	Contributing	A) 5-course American bond, steel coping, steel pivot windows (some enclosed), granite foundation (extends westward to new cmu bldg w/ corrugated roof) painted sign on west B) brick w/ parapet, steel smokestack, steel windows, steel bridge between a & b.
371	SW	670 Metropolitan Pkwy	14	0001022	Atlanta City Employees Credit Union	building	1957	1	brick	Contributing	Brick w/ marble coping & sills, flat arch window heads, Flemish bond, decorative metal grilles in gables.
372	SW	600 Bronner Way	14	0001025	Bronner Brothers	building	1959	2	brick/concrete	Contributing	Brick, modified concrete dentil, four full floor-to-ceiling windows (covered), concrete awning, stretcher bond.
373	SW	515 Ralph David Abernathy	14	0001032		building	A) 1880s B & C) 1950s	1	brick	Contributing	A) Stone foundation, brick arches over windows, upper windows replaced, brick parapet, shed roof on east side, one-story building connects to b) 1950s cmu 2-story w/ steel coping, concrete loading dock C) brick w/ stucco, stepped roofline, faces rails
374	SW	Ralph David Abernathy	14	n/a	Abernathy Underpass	structure	1957	n/a	concrete	Contributing	Underpass, tracks removed, metal railing w/ arched endings
375	SW	448 Ralph David Abernathy	14	002072		Building	1920 w/ 1940s additions		brick/concrete	Contributing	A) Brick 1-story structure w/ metal coping, gable roof, wooden windows B) 2-story cmu/metal structure w/ steel hoist C) 1-story cmu w/ metal pivot windows D) East building w/ gabled metal corrugated roof, brick chimney, metal awning into courtyard.
376	SW	McDaniel St	14	0003166	The Perfect Church	building	1930s		brick	Contributing	Church w/ stained glass windows, cross-gabled roof, square corner entrance w/ broken pediment & steeple
377	SW	530 McDaniel St	14	LL007/LL008	McDaniel-Glenn Community	neighborhood	1940s	3	Concrete/brick	Demolished	Concrete framed housing project, brick veneer (possibly later), concrete cornice, lintels and sills, stair entrances are streamlined moderne w/ 2 flattened columns supporting flattened concrete lintel, demolition forthcoming.
378	SW	Glenn St	14	008600020667	General Electric	building	1930s-40s	1-5	concrete/brick	Individual listing	A) 2-story brick, 5-course american bond, belt courses, concrete sills B) 1-story brick connector C) 5-story concrete w/ brick infill, crenelated corners w/ GE logo in tile, concrete tower w/ logo, chimney, concrete sills and lintels, loading dock w/ awni
379	SW	Glenn & Humphries St	14	LL012	Stone wall	object	1900s	n/a	stone	Contributing	stacked granite wall
380	SW	749 McDaniels St	14	008600020816	Housing Authority City of Atlanta	building	1920s/30s	3	brick	Contributing	5-course American bond @ rear, stretcher bond @ sides/front, front has concrete surround, transom over entrance, steps @ corners w/ diamond brick patterns, brick pilasters, concrete sills, steel windows, belt course over 1st floor.
381	SW	743 Stephens St	14	0002081	unknown	building	1900	1	brick	Contributing	Solid masonry, 5-course american bond, front parapet w/ arched flat-window opening, belt rows, metal coping,clerestory openings modified, steel windows on west end in arched openings, fireplace remains from next door building, concrete foundation.
382	SW	451-457 Stephens St	14	0002080	American Mills	building	1916	2	stone	Contributing	Steel pivot windows, fire escape, steel coping, grapevine mortar on stone, 1 loading bay, upper floor has window w/ steel awning, end parapets.
383	SW	Stephens St	14	0002046	unknown	building	1920	2	brick	Contributing	6-course american bond, steel pivot windows, brick coping, brick chimney, retractable steel fire stair, steel lintel added over truck loading area, wood columns (deteriorated).
384	SW	Stephens St	14	0002047	unknown	building	1920	2	brick	Contributing	Yellow diamond tile inlay, brick pilasters, concrete caps, blonde glazed brick window sills w/ ogee curve, decorative brick "rectangles" w/ yellow tile corners, steel windows, wooden frame @ loading dock, somewhat altered.
385	SW	489 Stephens St	14	0002082	unknown	building	1920	1-2	brick	Contributing	1910s building w/ 1920s faecilit to match new warehouse? Stepped parapet facade w/ brick rectangular pattern w/ blonde tile corners, yellow tile diamond patterns, windows infilled, rear steps up to higher level for manufacturing, chimney.
386	SW	511 Stephens St	14	0002086	Overhead Door	building	1940	1	cmu	Contributing	CMU w/ stucco covering, hanging metal awning over front door, windows replaced, concrete loading ramp w/ loading docks.
387	SW	750 Humphries St	14	0002055	Total Image Auto Paint & Repair	building	1950	1-2	brick	Contributing	Older portion ca 1910s, likely associated w/ 385 & 384, same diamond brick patterns, brick cap, belt course, windows blocked in, rear windows arched. 1940s/50s addition covered in stucco, windows covered w/ metal mesh.
388	SW		14	0005092	Water Tank	structure	1940s	n/a	steel	Contributing	Cylindrical steel water tank
389	SW	Windsor St	14	0005008	Norfolk Southern	building	1920	2-3	brick	Individual Listing	Large windows likely steel, now enclosed, 3-story building w/ w-story element between, railroad tracks alongside.
390	SW	McDaniel St	14	0005008	Oil Tank	object	1940s	n/a	steel	Contributing	Cylindrical oil tank
391	SW	unknown	14	0002057	unknown	building	1940s/50s	1	steel	Contributing	Corrugated metal sheds
392	SW		14	0008046/0002	Norfolk Southern	building	1930s	1	brick	Individual Listing	A) Terra cotta coping, 5-course american bond w/ loading door, concrete cap on corner of roof B) adjacent building has a old brick foundation that has been covered over to obscure what is underneath.
393	SW		14	0008046/0002	Norfolk Southern	building	1880s-90s	2	brick	Individual Listing	Arched windows, gable roof, decorative brick edgeing on front roof line, 5-course american bond, painted brick on 1st level & front facade.
394	SW	793 Windsor St	14	0005008	Norfolk Southern/Collier Metals	building	1930s	1	brick	Individual Listing	Small brick power station for Norfolk Southern, one roof, flat roof, concrete coping.
395	SW	793 Windsor St	14	0005008	Norfolk Southern/Collier Metals	building	1940s	1.5-2	brick/cmu	Individual Listing	A) Brick roundhouse curved wall faces roundhouse, contains cmu & glass block, 7-course american bond, arched windows & arch above door, inset brick work, gable roof, intricate brickwork connects two roof pitches b) 2 stories, concrete lintels, arched door
396	SW	793 Windsor St	14	0005008	Norfolk Southern/Collier Metals	building	1940s	3	brick/concrete	Individual Listing	5-course American bond, concrete lintels and sills, buttresses w/ concrete caps, windows replaced/covered over, hoistway and loading dock to southeast, rail lines to southwest.
397	SW	793 Windsor St	14	0005008	Norfolk Southern/Collier Metals	building	1890s	2	brick	Individual Listing	Brick w/ 3 gables, parapets @ the ends, 10 loading bays on south side of building, mostly filled in, gable end on east side of building as well.
398	SW	793 Windsor St	14	0005008	Norfolk Southern/Collier Metals	building	1890s	1	brick	Individual Listing	Possibly part of building 397, loading door entry, window w/ concrete sill, cupola on hipped roof.
399	SW	725 Humphries St	14	0004008	Associated Imports Corp	building	1939	1	light-frame/cmu	Contributing	CMU foundation, aluminum sheathing, steel windows, 3 metal gable roofs, metal overhang along entry/dock, railroad tracks along loading dock.

400	SW	725 Humphries St	14	0004008	Associated Imports Corp	building	1939	1	brick	Contributing	Bricks front and rear - steps up 3 floors to center, steel sides, steel windows, 6 course American bond, buttresses, window cut in half for loading bay.
401	SW	1005 Metropolitan Pkwy	14	00040266(a)	Country Home Bakers, Inc	building	a)1940s b)1920s	1	brick/cmu	Contributing	A) Manufacturing plant, cmu construction B) Offices, brick with metal coping on roof, front could have been added later, broken pediment over door.
402	SW	Murphy Ave	14	0007001	vacant	building	1925	1	light-frame	Non-Contributing	Brick foundation w/ louvers, clapboard siding (wide lap), side-gabled roof, paired and single windows w/ 2x6 frames, gable louvers, concrete and brick front stoop - porch roof missing
403	SW	Murphy Ave	14	0007015	Right-hand Man	building	1925	1	light-frame	Non-Contributing	New South Cottage, pressed tin roof tiles on hip-and-gable roof, brick foundation and corner piers (possibly added), gable vent missing, doors and windows replaced, vinyl & asbestos lap siding
404	SW	768 Murphy Ave	14	0007014	Right Hand Man	building	1941	1	brick	Contributing	Service garage - steel pivot windows w/ fire glass in front, wood on side (7' above ground), vinyl on roof, front could have been added later, broken pediment over door.
405	SW	774 Murphy Ave	14	0007013	Right Hand Man	building	1945	1	brick	Contributing	5-course american bond brick in rear of building, front side of building covered w/ plaster, metal coping, concrete sills on rear windows
406	SW	702 Murphy Ave	14	0007012	West End Auto	building	1948	1	brick	Contributing	Stepped roofline, concrete caps, wood window framing and wood doors, stucco façade, corrugated metal on sides
407	SW	Murphy Ave	14	0007011	West End Auto	building	1948	1	cmu	Contributing	CMU construction, metal coping on roof, front entrance has covered area
408	SW	820 Murphy Ave	14	0009001	Special Services Dept	building	1960s	2	brick	Non-Contributing	multi-color brick, steel awnings, loading dock
409	SW	876 Allene	14	009002	Genesis Early Learning & Child Development Center	building	1920s	1	brick	Contributing	Commercial building w/ classical cornice and brick doric pilasters, storefronts infilled w/ glass block
410	SW	884 Murphy Ave	14	0002027	vacant	building	1959	1	brick/cmu	Contributing	CMU w/ textured brick front, metal awning over door, windows replaced, billboard on top of building.
411	SW	892 Murphy Ave	14	0002002		building	1963	1	brick	Future Potential	Concrete coping, elongated grey brick, flat roof, tower in middle, flat metal awning over door, horizontal strip of windows.
412	SW	900 Murphy Ave	14	0002037	Mark Louis Co (formerly Welding Tool Supply Co)	building	1970	1	cmu	Non-Contributing	CMU construction, metal coping, loading area w/ 2 bays, gable front roof
413	SW	520 Murphy Ave	14	0002033	Unpaint Corp	building	1948	1	brick	Non-Contributing	Name painted on side, brick buttresses w/ brick cap (turned on flat side) goose-neck lights, steel coping, cmu addition attached, no windows
414	SW	944 Murphy Ave	14	0002034	Specialty Clutch Service	building	1935	1-2	brick	Contributing	5-course american bond, loading entries on north side, awning on front, painted signage, steel pivot windows (6 over 3), concrete caps on roofline, older 1-story in rear, brick detailing surrounding windows.
415	SW	950 Murphy Ave	14	0002036	Boyd Auto	building	1930	1	cmu	Contributing	CMU structure, metal windows, transom over door
416	SW	982 Murphy Ave	14	0006042	Custom Auto Parts (formerly JF)	building	1945	1	steel	Contributing	A) Stamped metal siding, steel windows, gabled clerestory w/ "JF Trademark" medallion logo on one end. B) 2-bay kwanzut hut w/ steel windows
417	SW	Brookline St	14	n/a	Adair Park	neighborhood				Listed	Strip of residences along edge of Adair Park Historic District - see Historic District listing for further information
418	SW	Murphy Ave	14	n/a	Murphy Ave overpass	structure	1910s	n/a	concrete	Individual listing	3 tunnels, new steel rail
419	SW	1040 Sylvan Ave Buildings 1&2	14	LL001	Public Auction Facility	building	1920s	1	brick & steel	Individual listing	A) Building 1 - 3 gable roofs, long horizontal warehouse buildings, corrugated metal construction B) Building 2 - open air structure, metal gable roof
420	SW	1040 Sylvan Ave Building 1A	14	LL001	Public Auction Facility	building	1920s	1	brick	Individual listing	Loading dock entire length of building, 14-bays with corrugated metal awning on steel web joists, concrete finials on parapet, ornamental gooseneck lighting fixtures.
421	SW	1040 Sylvan Ave Building 9	14	LL001	Public Auction Facility	building	1920s	1-1.5	brick	Individual listing	Brick construction w/ cmu infill in windows & doors, upper story metal windows, metal coping, metal awnings over door and loading entry.
422	SW	1040 Sylvan Ave Buildings 4,5,6,7	14	LL001	Public Auction Facility	building	1920s	1	brick	Individual listing	5-course american bond, steel awning on steel web joists over 10-bay loading platform, stepped parapet ends, windows filled in, some still have steel windows & ornamental gooseneck light fixtures.
423	SW	1040 Sylvan Ave Building 3	14	LL001	Public Auction Facility	building	1920s	1	brick	Individual listing	A) 1920s office - stepped parapet ends, loading dock w/ steel awnings, steel double hung windows, transoms over doors B) 1940s, brick w/ steel coping, transom over windows, separated by brick, belt courses C) weigh station & guardhouse
424	SW	1040 Sylvan Ave Building 10	14	LL001	Public Auction Facility	building	1920s		brick	Individual listing	Gable roof, metal overhangs on both sides, loading entries on side, 4-bays
425	SW	1040 Sylvan Ave Building 11	14	LL001	Public Auction Facility	building	1920s		cmu	Individual listing	gable roof, corrugated metal gable ends, loading doors
426	SW	1080 Murphy Ave	14	0007003	Cut Rate Box Co	building	1900	3	brick	Individual listing	5-course american bond, wood windows (replaced) steel water tower on roof, brick frames around painted signs (illegible - one says "waste"), brick pilasters & window sills, wood loading door, bottom covered w/ stucco, stepped roofline, former textile mill
427	SW	1100 Murphy Ave	14	0007005	Cut Rate Box Co	building	1900	4	brick	Individual listing	former textile mill, stone foundation, 6-course american bond, steel pivot windows (replace in front), pilasters w/ shallow arches @ top row of windows, brick cornice w/ concrete top row, wooden loading doors w/ transoms, 2nd floor windows taller
428	SW	1116 Murphy Ave	14	0007013	PTC	building	1942	1-3	steel	Individual listing	Building steps up, ribbon windows along entire length, Art Moderne front addition with curved walls and glass block windows, triple gable front, railroad spur along side, concrete foundation, sliding metal doors, concrete pad adjacent to property
429	SW	n/a	14		Railroad traffic signal	object	1940s	n/a	steel	Contributing	Door marked "U.S. & S. Co" "Swissvale, PA" "10384", ("1382" on latch)
430	SW	n/a	14		Telephone poles	object	1940s	n/a	heavy-timber	Contributing	Several old telephone poles w/ glass insulators, two cross beams (same width on one pole, top one shorter on others)
431	SW	1150 Murphy Ave	14	00070127	State of GA Central Warehouse Complex	building	1930s-40s	1	brick	Contributing	7-course american bond, textured bricks, metal windows, decorative brickwork over windows (stepped), stone wall along front of building, parapet front with decorative brick pattern
432	SW	972 Avon St	14	00020533	Central Recycling	building	1920s	1	brick	Contributing	Exposed eave rafters, decorative brickwork along foundation, concrete front steps, brick chimney, wood windows with single pane of glass, shingle roof, textured bricks, 2 large brackets holding up shed roof on porch, modified hip roof
433	SW	934 Avon Ave	14	00020095	Roebing Factory	building	1920	1	brick/concrete	Individual listing	5-course american bond, belt courses, skylights, steel pivot windows, earlier section has yellow brick, entry section in 2 styles - traditional with arch & keystone over door, other entry section squared with glass block and concrete surround,
434	SW	Sylvan Rd	14	0007031	Grift Services	building	1940s	1	cmu	Non-contributing	Parapet on back, front addition, cmu block infill of bay openings, metal windows, front addition has gable façade/roof.
435	SW	866 Warner St	14	00100010	unknown	building	1946	1-2	cmu	Non-contributing	A) Corner building w/ glass block windows, brick window sills, covered in wood siding on upper half, stepped roof line, recent fire B) CMU infill building, metal coping on roof C) 2-story building covered in stucco, metal coping on roof.
436	SW	840 Woodrow St	14	00100234	unknown	building	1920	1-2	brick	Contributing	Brick with concrete sill & coping, brick course over window line and below roof line, steel windows, central doors in 2-story portion - decorative "deco" door surround & parapet. New additions to west & east - steel awning over western loading dock.
437	SW	838 Woodrow St	14	0010002	God's Favorite People, Inc.	building	1956	1-2	cmu	Contributing	A) Stepped parapet front, metal coping, concrete ribbon band, stone foundation in back, metal window B) CMU w/ stepped façade roof line, metal roof C) House, 1900s, bead board, brick foundation, clapboard covered in siding, stone steps, exposed rafters.
438	SW	836 Warner St	14	0010010	God's Favorite People	building	1946	1	brick	Non-contributing	Metal coping, severe fire damage, no roof, jumbo bricks, concrete sidewalk/porch, old sign painted on side.
439	SW	1135 Allene	14	00100127	unknown	building	1930s-40s	1	cmu	Contributing	Gable front with sheathing, steel pivot windows, concrete window sills, tall concrete foundation.
440	SW	1151 Allene	14	00100457	J.B. Towing, Inc.	building	1940	1	cmu	Contributing	Steel windows, 2-bay openings now enclosed, parapet façade, stepped roofline along sides, side shed addition.
441	SW	790 Woodrow St	14	010600100408	unknown	building	1955	1	brick	Contributing	Jumbo brick, concrete window sills, glass block windows (replacements) concrete foundation, side loading dock, metal door with transom and sidelights
442	SW	809 Woodrow	14	00100192	Lackley's	building	1900	1	light-frame	Contributing	New South cottage - clapboard, windows replaced, hipped roof, brick chimney, concrete stair
443	SW	804 Woodrow St	14	00100416	Surplus Supply Co?	building	1930s-40s	1	concrete	Contributing	Steel windows, wood sills, 2 huge wood garage doors
444	SW		14	0004027	unknown	building	1940s	2	brick	Contributing	Metal windows, 5-course american bond, concrete ribbon bands, parapet façade, metal coping, cmu staircase projection, stone façade
445	SW	1230 Murphy Ave	14	00020590	- Automotive	building	1930	1-2	brick/cmu	Non-Contributing	Parapet façade, metal windows, metal roof, cmu infill to connect several similar style buildings, metal siding on sides, 7-course american bond, in poor condition and walls beginning to crumble, concrete roof caps.
446	SW	1252 Murphy Ave	14	00020566	A City Discount	building	1950	1-2	brick/cmu	Contributing	CMU rear, brick front sections, façade in 2 parts - southern is 1-story, northern is 2-story, concrete door surrounds, brick sills, aluminum double-hung windows, southern portion has projecting center with raised roof, southern façade has some Flemish bond
447	SW	1272 Murphy Ave	14	00020434	B Square	building	1920s	2	brick	Contributing	Dentilated cornice, stepped parapet, simplified classical capitals on brick pilasters, concrete base, very dark brick, door with sidelights and transom, tile roof caps
448	SW	1278 Murphy Ave	14	00020434	B Complex	building	1920s	1	brick	Contributing	Façade - triple garage door, raised center section, coping, continuous steel windows along one side, concrete sills, service doors along other side, corrugated metal awning across front, clerestory running full length of building
449	SW	1264 Murphy Ave	14	00020434	B Complex	building	1950	1	cmu	Contributing	Stepped parapet façade, steel windows, concrete sills and lintels, concrete roof caps, large front bay opening.
450	SW	1296 Murphy Ave	14	00020423	Phoenix House	building	1900	2	light-frame	Contributing	Brick foundation, 1/1 windows, 2 chimneys, bay window, classical Queen Anne, dentil molding, doric columns, clapboard siding
451	SW	1302 Murphy Ave	14	00020423	Phoenix House	building	1890s	1	light-frame	Contributing	Gable front with brackets, small triple-pane window in front gable, clapboard vinyl siding, brick foundation, wood porch with beadboard ceiling, clummed porch under gable, 1/1 windows, single central chimney, bay window on north side
452	SW	- Murphy	14		unknown	building	1920s-30s	1	cmu	Contributing	Gable roof, metal windows, part of a larger complex of buildings, along railroad spur, large bay openings, metal roof, brick wall remnants nearby, with 7-course american bond, stone foundation wall located nearby also.
453	SW	1070, 1056, 1052 Dill	14	0040028, 0004	2 residences	building	1930, 1950	1	light-frame	Contributing	Residences - duplexes, stucco piers, gable front extends over porch, clapboard, concrete steps, stone retaining wall at street, 2 chimneys
454	SW	1400 Murphy Ave	14	0007001	Nabisco	building	1938	2	concrete	Contributing	Concrete block front, large blocks, large square windows along long straight façade, center projects, 3 vertical windows with glass blocks forming modified transom and sidelights, aluminum storefront central door
455	SW		14	n/a	Oakland City	neighborhood	1930s	1	light-frame	Contributing	Bungalows and minimal traditional, city park
456	SW		14		Oakland City Park	building	1931	n/a	n/a	Contributing	A) Stone entry gate into park, flanking each side of drive, dedication plaque, concrete caps B) Picnic pavilion, gable roof with curved pediment front (new), 7-course american bond base, stone steps C) granite block curbing throughout park
457	SW	1181 Lee St	14	00051044	unknown	building	1940	2	brick	Non-Contributing	Recent modifications, front with side gabled roof, back with front gabled roof, brick dentils and sills around windows.
458	SW	1177 Lee St	14	011900051150	The Life Deliverance Ministries	building	1947	1	brick	Contributing	Stuccoed brick, roof steps down toward back, front door aluminum w/ glass transom & sidelights, aluminum door awning (probably extends over former store windows)
459	SW	1149 Lee St	14	011900051093	Custom Framing/Brother's Fine Art Group	building	1967	1	brick	Non-Contributing	6-course american bond, parapet façade, rear cmu addition, concrete awning, concrete roof caps
460	SW	1097 Lee St	14	00050186	Convenience store Market Place	building	1949	1	cmu	Non-contributing	CMU building with several additions and modifications, metal coping
461	SW	1057 Lee St	14	011900040740	The Bottom Line II	building	1920	1	brick	Contributing	5-course american bond, stepped parapet façade, concrete window sills, metal windows, front loading dock, metal awning, coping, concrete roof caps, stepped roof on sides.

558	NW	698 Echo St	14	011200051066	"Classic"	building	1946	1	brick	Contributing	Stone foundation, steel windows, loading bay in front, steel silos in rear with steel access tower
559	NW	691 Echo st	14	0009014	Riley's Auto Service	building	1930s/40s	1	cmu	Contributing	4-bay garage, stepped parapet with iron coping
560	NW	Hollowell	14	n/a	Hollowell Overpass	structure	1940s	n/a	Concrete	Contributing	Railroad overpass - large arched opening, board pattern still visible in concrete, "pebbled" concrete at grade
561	NW	725 Hollowell	14	001200050902	Flavas Hair Styling	building	1952	1	brick/cmu	Non-Contributing	CMU foundation, brick on entry facade, corrugated metal on sides, commercial storefront windows
562	NW	733 Hollowell Pkwy	14	011200050910	Emission Center, Inc	building	1930	1	CMU	Non-Contributing	Greytan brick facade, steel casement windows in picture window, brick water tables, iron coping, 1 garage door, very narrow (+/-20") wood panel door w/ aluminum awning.
563	NW	720 Hollowell Pkwy	14	011200080198	unknown auto service	building	1950	2	cmu	Non-Contributing	Steel windows, heavily modified/added on to, place for car wash on side.
564	NW	726 Hollowell Pkwy	14	011200080180	unknown	building	1955	1	brick/cmu	Contributing	CMU auto service w/ brick veneered facade, iron coping, sides step down, 1 garage door, transom over entry, one square window in office
565	NW	696 Hollowell Pkwy	14	011200010038	Tires	building	1920	1	cmu	Non-Contributing	Service station, possibly originally retail, brown brick facade with iron coping, raised rectangular area for sign, deeply inset bay w/ glass block windows, beaded board ceiling and wood cornice, new storefront, sides have steel windows w/ brick sills.
566	NW	683 Hollowell	14	011200090114	D&R Automotive	building	1950	1	CMU	Contributing	CMU w/ stucco facade, gable front roof, additional cmu building in rear (same land lot), w/ steel coping and loading bay.
567	NW	670 Northside Dr	14	011200100145	Able Body Labor	building	1952	1	brick	Contributing	Corner building, angled with streets, brick construction, stone veneer facade, steel coping, brick infill on front facade window.
568	NW	792 Hollowell Pkwy	14	011200080016	Bankhead Branch Library	building	1922	2	brick	Individual Listing	Beaux Arts library - blonde brick w/ elaborate stone door surrounds and water table, roman arched windows w/ brick surrounds and stone sills. Windows covered over now. Hipped tile roof w/ wide eaves, ornate brackets and rafter tails. Full basement.
569	NW	808 Hollowell Pkwy	14	011200070918	vacant	building	1928	1	brick	Contributing	Old garage/service station, 3 loading bays on English Ave, one loading bay on Hollowell, covered entry on Hollowell, clay tile roof
570	NW	805 Hollowell Pkwy	14	011200050654	European Automotive, Inc.	building	1935	1	Stone/CMU	Non-Contributing	Glass block windows, stuccoed front facade, stone w/ cmu, plain storefront facade, side auto entry, corrugated metal on facade as well.
571	NW	813-815 Hollowell Pkwy	14	011200050670	vacant	building	1920	2	brick	Contributing	Solid brick masonry, 5-course american bond, 3 9/9 wood windows (new) with shallow arch on top floor, two storefronts (replaced) flank central door w/ shallow arch in first floor. Concrete base.
572	NW	819 Hollowell Pkwy	14	011200050688	unknown - formerly Bankhead Appliances Norge	building	1920	2	CMU	Contributing	CMU w/ brick facade w/ faux stone veneer, double-hung wood 2/1 windows, wood storefront
573	NW	825 Hollowell Pkwy	14	011200050696	vacant	building	1920	1	brick	Contributing	Brick w/ stone foundation, 2 storefronts, clay tile overhang at front, steel coping, roof steps back from Hollowell
574	NW	826 Hollowell Pkwy	14	011200070355	Ross's Body Shop	building	1947	1	cmu	Contributing	Art moderne service garage - 2-bays w/ office, stucco front w/ decorative pattern @ top (3 lines joining 2 circles @ either end of building) transom over door, double-hung wood window in office. - No photo requested by Owner
575	NW	829 Hollowell Pkwy	14	011200040614	Pure Church of Jesus Christ	building	1940s	1	brick	Non-Contributing	2 storefronts on facade, brick storefront windows filled in, flat roof
576	NW	869 Hollowell Pkwy	14	011200040499	vacant	building	1920	1-2	brick/cmu	Non-Contributing	Something CMU and brick barely visible underneath a lot of additions and alterations
577	NW	878 Hollowell Pkwy	14	011200070082	vacant	building	1950	1	brick	Contributing	Commercial building w/ steel coping, raised facade in center for sign, large storefront windows, 2 entry doors.
578	NW	627 English Ave	14	011200080024	English Ave School	building	1910	3	brick	Contributing	Crenelated roofline, large windows (boarded over), diamond tile patterns between floors, chimney in rear, heavily detailed entrance, decorative brickwork, center and ends project forward
579	NW	n/a	14	n/a	Residential Neighborhood	Neighborhood	1880s-30s	1	brick/light-frame	Contributing	Bungalows, folk victorians, new south cottages, apartment buildings, large trees, a lot of vacant lots, some new construction
580	NW	815 Fox St	14	011200070421	Greater New Hope Baptist	building	1950s	1-2	brick	Non-Contributing	Blond brick, stained glass windows, lower entrance with battered concrete wing walls flanking doors, 2 sets of stairs lead to main entrance, gable front roof.
581	NW	757 James P. Brawley Dr	14	011200050951	Total Plant & Floral	building	1954	1	cmu	Contributing	CMU construction, steel windows, ironwork on windows, loading bay on front facades
582	NW	720 James P. Brawley	14	011200050977	City Realty Artists Lofts	building	1972/77	1	brick	Non-Contributing	Brick construction w/ steel pivot windows, iron stairs, being leased as artist's lofts, large property, built into a hill
584	SE	1383 Blashfield St	14	005600120653	unknown	building	1952	1	CMU	Contributing	Old 3-bay service garage. On north side there is a boarded up glass room, presumably showroom.
585	SE	1391 Blashfield	14	005600120141	unknown	building	1945	1	Concrete	Contributing	3-bay cmu covered, 1 story stepped flat roof, capped w/ new plywood roofing/eavees, grey stucco.
586	SE	1396 Blashfield St	14	005600120158	Industrial Electric Co	building	1958	1	brick/cmu	Contributing	CMU w/ brick veneer, stepped parapet covers gable roof, cast iron coping, roll-up steel door, aluminum awning over brick stoop w/ iron railings, steel windows.
587	SE	297 McDonough Blvd	14	n/a	McDonough Blvd Overpass	structure	1910s	n/a	Concrete/brick	Contributing	Pebbled concrete finish with orange brick inset panels. One end of either side of bridge has opening where light post used to be. Crosses over four tracks. Walkway at east end used to go to building.
588	SE	293 McDonough Blvd	14	004100060295	unknown	building	1940	1	Brick	Contributing	Two buildings (or designed to look like 2 buildings). Western one higher w/ spanish tile awnings (tiles missing) on brackets. Remains of light fixtures, store front covered. East building has former spanish tile awning, painted brick, storefront removed
589	SE	293 McDonough Blvd	14	004100060295	unknown	building	1940	1	CMU	Contributing	CMU rear walls, stucco-covered in front, slightly turned @ front corner, remains of wood awning, roof and one wall missing.
590	SE	301 McDonough Blvd	14	004100060303	World of Ministry	building	1938	1	Concrete	Non-Contributing	CMU w/ brick facade, 2 windows on either side of entrance, original windows replaced w/ glass block, flat roof w/ metal coping.
591	SE	306 Milton Ave	14	005600070238	unknown	building	1930	1	Brick	Contributing	Front entrance flanked by two wood windows, hip asphalt shingle roof, triangular site with concrete pads, brick w/ 3 uprights w/3 alternating colors over front doors and at foundation, eaves supported by wood bracketing.
592	SE	n/a	14	n/a	Chosewood Park	neighborhood	1910s	1-2	light-frame	Contributing	Mostly bungalows and folk victorians, evenly wooded, hilly terrain, some new construction.
593	SE	266 Milton Ave	14	005600070379	Auto Detail & Carwash	building	1953	1	CMU	Contributing	CMU w/ metal coping, flat roof, 2 bays boarded up, metal door, entrance has 2 bay windows, right-side plate glass.
594	SE	259 Milton Ave	14	0006023	unknown	building	1925	1	brick	Contributing	Front has stepped parapet w/ concrete coping, former name in upmost portion (illegible), steel pivot windows, glass block entrance, belt course above & below windows, every 6th row of brick is charcoal colored. Corner windows (boarded up), loading dock
595	SE	249 Milton Ave	14	0006005	Modern Tech Home Builders	building	1943	1	brick/concrete	Contributing	Main building - gable asphalt shingle roof, 8 steel windows flank 3 doors, brick facade fronts cmu w/ steel windows, metal shed roof. Metal shed to east w/ loading dock, cmu, sheet metal roof.
596	SE	187 Milton Ave	14	0006001	unknown	building	1953	1	brick/concrete	Contributing	Jumbo brick base w/ concrete cap - steps up @ corners, steel pivot windows entire length of upper half, flat roof, concrete addition at south. *It would be nice if we let people know we are going on their property.
597	SE	-Milton Ave	14	0004025	Milton Ave School	building	1915	3	brick	Contributing	Window pattern is 5-1-2-1-5, soldier coursing, hipped roof, bracketed shed roofs over doors, 50s addition to south (separate).
598	SE	Milton Ave	14	n/a	Concrete Pavers	Object	1910s	n/a	Concrete	Contributing	Hexagonal paver sidewalk.
599	SE	- McDonough Blvd	14	0007052	unknown	building	1900	1	brick	Contributing	Solid brick masonry, 6-course American bond, side door and windows infilled, remnants of sign on side, roof caved in, storefronts covered over, cracks in side wall, crenelated roofline. New building to side is lower, different.
600	SE	386 McDonough Blvd	14	0008035	unknown	building	1930	1	brick	Non-Contributing	Service station, covered pull-in area, wood doors and windows, 2 garage bays, addition to east.
601	SE	414 McDonough Blvd	14	0008056	Previously U.A.W. Lodge	building	1953	2	Brick	Contributing	Possibly bank previously, pink marble pilasters w/ white marble recess on front, framing aluminum doors, brick sides step down w/ cast iron coping, steel windows.
602	SE	422 McDonough Blvd	14	0008055	Antioch Baptist Church	building	1876-1950s	2	brick	Contributing	Building in 1876, "remodeled" 1935, 1950s addition in front. Old church presumably underneath brick - decorative brick, arched stained glass windows, bracketed eaves, brick and concrete stair, rear offices. 1950s addition has stained glass, brick & con
603	SE	422 McDonough Blvd	14	0008055	Antioch Baptist Church Cemetery	site	1875-1950s	n/a	n/a	Contributing	Victorian through post WWII cemetery. Graves include wrought iron fence, marble urns, trees, lambs, urns, flower planting beds.
604	SE	50 McDonough Blvd	14	LL011	U.S. Penitentiary Warden's house	building	1910s	2	brick/heavy tim	Contributing	Tudor style - half-timber w/ brick, front gate, wood casement windows, side gable roof w/ side chimney, Oriole.
605	SE	523 McDonough Blvd	14	LL001	U.S. Penitentiary Warden's house	building	1910s	3	brick	Contributing	Prairie Style house w/ broad eaves, several chimneys, hipped roof, concrete stairs w/ planters, windows replaced.
606	SE	- Sawell Ave	14	LL011	U.S. Penitentiary housing	neighborhood	1930s	1-2	Light-frame	Contributing	6 houses, largely minimal traditional, associated with prison.
607	SE	-McDonough Blvd	14	LL011	U.S. Penitentiary Power Generator	building	1940s	1	brick	Contributing	Smokestack w/ banding, 2-story generator building, cubic shape with tower on NW corner. Jalousied windows in tower.
609	SE	- Hill St	14	n/a	Hill St Underpass	structure	1914	n/a	Concrete/steel	Contributing	Steel plate underpass, riveted, 2 tracks, steel columns w/ brackets, concrete railroad bed and abutment.
610	SE	1155 Hill St	14	0014004	Standard Trucking	building	1964	1	brick	Non-Contributing	Steel windows in brick office, added aluminum 2nd floor, Steel warehouse w/ barrel vaulted roof.
611	SE	1174 McDonald Dr	14	0013002	Metal Fabricators, Inc.	building	1950	1	Steel	Contributing	Metal siding and roof, steel pivot windows, gable roof.
612	SE	410 Englewood Ave	14	004200080235	Rescue Atlanta Ministries	building	1966	1	brick	Future potential	Jumbo, multi-chrome brick warehouse with steel windows, multiple garage doors, concrete stairs with aluminum awning.
613	SE	440 Englewood Ave	14	0008024/8027	vacant, previously Engine Division	building	1966	1	Brick	Future potential	Beige jumbo brick, decorative concrete block screens, old fire alarm, east portion has inset window panels.
614	SE	460 Englewood Ave	14	004200080193	National Dust Control Service	building	1960	1	Brick	Contributing	Red brick front w/ white brick panels inset between aluminum windows, front porte cochere is concrete w/ brick chimney-shaped support, rear jumbo brick portion is taller, metal side additions, landscaped lawn.
615	SE	504 Englewood Ave	14	00420008037	Boles Parts Supply	building	1964	1	brick/steel	Future potential	Jumbo brick base w/ standing seam metal body, steel windows, 4 front gables.
616	SE	- Englewood Ave	14	004200080201	unknown	building	1964	1	brick	Non-contributing	Brick w/ steel pivot windows, covered in 1970s diagonal siding.
617	SE	500 Englewood Ave	14	004200090267	Engine Division	building	1958	1	Brick	Contributing	Jumbobrick, brick window surrounds on aluminum windows with inset brick panels.
618	SE	540 Englewood Ave	14	004200090226	Divine Automotive Center, Inc.	building	1960	1	brick	Contributing	4-bay garage door openings, metal coping, parapet roof, service garage.
619	SE	510 Englewood Ave	14	0041LL0128	Dept of Public Works	building	1950s/60s	2	brick	Non-contributing	Brick side-gabled building w/ aluminum windows.
620	SE	1047 Boulevard Ave	14	004200090101	vacant	building	1948	1	CMU	Contributing	Stepped parapet front, windows removed.
621	SE	Boulevard	14	n/a	RR Relay Box	object	1940s	n/a	Steel	Contributing	RR Relay Box - post missing
622	SE	- McDonough Blvd	14	0040LL0111	U.S. Penitentiary	building	1902	3	Stone	Individual listing	Beaux Arts penitentiary - rusticated stone with arched pediment front supported on 4 rusticated columns, hipped roof with finials. 3 marble guard towers, front marble entry gate has eagles and "USP" on it. Recent additions.
623	SE	- McDonough Blvd	14	0008030/00080	U.S. Penitentiary housing	neighborhood	1920s/30s	102	brick/light-frame	Contributing	U.S. Penitentiary employee housing, some minimal traditional, tudor, craftsman.
624	SE	- Park Ave	14	Multiple - see B	Gladstone Apts	neighborhood	1950s	2	brick	Contributing	LL012,LL008, LL029, 005048, LI006, 0005047, LL004, 0005045. Duplexes/quadrangles in a garden setting, porch w/ gable roof, original windows replaced w/ plastic-clad metal dual light, simple shed roof over concrete stoop, wooden entrance doors.
625	SE	999 Grant St	14	004200050378	unknown	building	1962	1	brick	Future potential	Brick - steel windows, 2 garage openings, aluminum awnings over door, concrete stoop.
626	SE	1015 Grant Ave	14	004200050386	Genesis	building	1960	1	brick	Contributing	Brick 1-story warehouse w/ corner main entrance, 4 brick risers at 2 sides, entrance faces south, east face is glass window wall, flat roof.
627	SE	Grant Ave	14	004200050311	unknown	building	1958	1	brick	Contributing	White brick corner, 2 loading bays, aluminum windows, front has no openings.
628	SE	1039 Grant St	14	004200050345	Flowers Bakery	building	1958	1	brick	Contributing	1-story brick structure, flat roof, aluminum coping, entrance on NE corner, SE corner has decorative concrete block columns replacing either windows or doors, metal silo on south, plain wooden baffle over front entrance w/ brick risers to entrance.
629	SE	1040 Grant Ave	14	0042LL0077	Stith Co.	building	1959	1	brick	Contributing	Aluminum windows, brick stoop w/ iron rail, aluminum storefront door, textured beige brick panels between windows, steel windows along side, concrete cap.
630	SE	375 Grant Circle	14	0042LL0119	ACC Wholesale	building	1959	1	brick	Contributing	6 loading bays w/ metal shed roof overhang facing Grant Circle, flat roof w/ metal coping, concrete ramps w/ metal railings, single panel windows w/ metal surrounds, entrance door metal, west has ghosts of prior windows, brick planter below window
631	SE	1059 Grant Ave	14	004200050352	unknown	building	1970	1	brick	Non-contributing	3 front loading bays, corner office/reception w/ aluminum storefront, blue and white awning, concrete cap. Concrete manufacturer.
632	SE	400 Grant Circle	14	0042LL0184	Transpro	building	1965	1	brick	Future potential	Jumbo brick w/ regular sized vertically stacked brick panel @ entrance, aluminum awning over aluminum door.
633	SE	- Grant St	14	0042LL0234	GA Power Co.	building	1920s/30s	1	brick	Contributing	Art deco style power station, brick with draping concrete cap designs, GA Power emblem in center, concrete cap, lintels and sills, transom over door, concrete base, two light posts flank building.
634	SE	1040 Boulevard Blvd	14	002300080048	Peach State Distributing Co.	building	1959	1	cmu	Contributing	Steel windows, glass block windows on both front corners, old fire alarm, concrete cap.
635	SE	634 Hamilton Ave	14	002300080055	unknown	building	1954	1	concrete	Non-contributing	1-story concrete, 2-bays, 2 doors, shed metal awning running length of building over concrete stoop/ledge. Asphalt shingled roof, side of building has metall windows running length of building.
636	SE	650 Hamilton Ave	14	002300080022	unknown	building	1950	1	brick	Non-contributing	Steel windows, 4 front garage doors, brick front stoop.
637	SE	n/a	14	n/a	Boulevard Heights	neighborhood	1930s	1	light-frame	Contributing	Working class neighborhood - bungalows, minimal traditional, cottages, mature trees.
638	SE	959 E. Confederate Ave	14	LL001	GA Dept of Public Safety	building	1950s/60s	2	brick/concrete	Contributing	Long, thin beige/orange bricks. Round concrete piers, aluminum ribbon windows w/ concrete overhang, clerestory and floor-to-ceiling storefront windows @ 1st floor, 2nd floor overhangs 1st floor, State of GA seal on front wall.
639	SE	Confederate Ave	14	n/a	Confederate Ave Underpass	structure	1914	n/a	steel	Contributing	Steel plate girder bridge on steel piers, concrete abutment - likely new, date on south side of bridge, sidewalk between piers and abutment.

640	SE	973 Confederate Ave	14	00010200006	C&S Wholesale Meats	building	1964	1	brick/concrete	Future Potential	Jumbo textured brick, aluminum windows, v-shaped plan, concrete and brick porch with pipe rail, nitrogen tank in front, CMU sides.
641	SE	989 Hamilton Ave, rear	14	002300060446	Fleetline, Inc. (formerly something Electric)	building	1950s/60s	1	brick	Future Potential	Multi-chrome brick, two porches flank front door. Rounded brickwork around porches, arched front porch w/ cast iron posts, one loading door.
642	SE	690 Hamilton Ave	14	002300060529	unknown	building	1930	1	CMU	Contributing	Shed roofed building w/ steel pivot windows.
643	SE	690 Hamilton Ave	14	002300060529	unknown	building	1930	1	CMU	Contributing	Shed roofed building w/ steel pivot windows and 2 front garage doors.
644	SE	690 Hamilton Ave	14	002300060529	unknown	building	1930	1	CMU	Contributing	Gable-roofed building w/ raised "spine", steel windows, loading dock, roof turbine, poor condition.
645	SE	690 Hamilton Ave	14	002300060529	unknown	building	1930	1	CMU	Contributing	Concrete foundation, overgrown with kudzu, steel windows with glass missing.
646	SE	n/a	14	n/a	Railroad switchgear	object	1940s	n/a	steel	Contributing	Remnants of railroad switchgear
647	SE	Ormeadow Ave	14	n/a	Ormeadow Underpass	structure	1910s	n/a	concrete	Contributing	Massive arched concrete underpass, massive pilasters flank arched opening, concrete bed with steel rail.
648	SE	Killian St	14	002200030028	Warren Memorial Boys and Girls Club	building	1950s/60s	1	brick/concrete	Non-Contributing	Concrete structure with beige jumbo brick infill, tall thin windows, recently replaced, courtyard entrance, concrete bleachers in rear, Evander Holyfield attended, stained glass at southern end.
649	SE	n/a	14	n/a	Grant Park	neighborhood	1930s	1	light-frame	Listed	3 bungalows - part of Grant Park
650	SE	unknown	14	0006037	unknown	building	1930s/40s	1	steel/cmu		Barely visible cmu structure, covered in corrugated steel, gable roof.
651	SE	915 Glenwood Ave	14	00120009025	U.S. Electric	building	1963	1	brick/steel	Future Potential	Beige brick, offices gabled with corner aluminum entrance, stepped with roof, tall rear warehouse with steel top, 6-bay loading area.
652	SE	n/a	14	n/a	Ormeadow	neighborhood	1910s/30s	1	light-frame	Contributing	Middle-class neighborhood with bungalows, minimal traditional, mature trees.
653	SE	902 Berne St	14	001100010742	Beulah Heights Bible College Chapel	building	1918	1	brick	Contributing	Roof recently added, concrete double-stair, fan lights over doors and windows, wood windows, every 6th row is Flemish bond.
654	SE	745 Rosalia St	14	0021LL0114	Roosevelt High School Gymnasium	building	1924	1	brick	Listed	Decorative brick and stucco banding, arched entrance w/ embossed lions flanking it, terra cotta tile, clerestory windows, glass block windows.
655	SE	745 Rosalia St	14	0021LL0114	Roosevelt High School	building	1924	2-3	brick	Listed	National register listed, decorative brickwork, terra cotta panels w/ gothic designs, moorish dome w/ concrete and brick banding and copper roofing, rose window, concrete eagles and lions and columns w/ byzantine capitols flank arched entrance. Fountain.
